

Confused by the Holy Spirit?

You're Not Alone.

As Christians, we are taught to believe in the Holy Spirit. But do we truly understand what His role in our lives should be? The Bible tells us the Holy Spirit was sent to be the means by which God can accomplish His work in us, and through us. Shouldn't then such a profound undertaking demand greater understanding?

Stormie Omartian, trusted voice and bestselling author on prayer, shifts her attention to the subject of the Holy Spirit. In her latest book, *Lead Me Holy Spirit*, she sheds light and brings clarity to His often misunderstood role in the life of a believer. She believes that far too often we think we can do our own thing and live without the leading of the Spirit of God, when the truth is we need His revelation, guidance, and power to accomplish anything of worth to remain great and lasting.

Through decades of study she has discovered we cannot force the Holy Spirit into a mold that makes Him resemble us. Instead, we must allow Him to mold *us* into His image. With great transparency and biblical discernment, Stormie reveals what it means to connect with God through the Holy Spirit in a deep and meaningful way. She dispels the misconceptions about Him and teaches you how to:

- recognize the Holy Spirit's voice and guidance
- transform our emotions and character through Him
- release any worry or fear around the Holy Spirit's role
- rely on His leading for our life's purpose
- enjoy a life that we cannot live without the Holy Spirit

Stormie offers powerful assurances from Scripture and personal insight to illustrate how the Holy Spirit will take away your fears and doubts, give you peace, and will pour out His blessings on you. She desires for every believer to know that once you experience the powerful presence of the Holy Spirit you will never forget it, and you will always long for it.

"The Holy Spirit doesn't make people weird; He makes them peace filled. They become *weird* when the pride of human flesh dominates instead of the humility of a repentant heart." —Stormie Omartian
