

THE PEBBLE CREEK AMISH SERIES

# A Home for Lydia

Aaron Troyer simply wants to farm like his father and grandfather before him. But instead he finds himself overseeing the family's small group of guest cabins nestled along the banks of Pebble Creek. That also means he must work with the cabins' housekeeper, Lydia Fisher.

Lydia is the most outspoken Amish woman Aaron has ever met, and she has strong opinions about how the guest cabins are to be run. She also desperately needs this job. Though sparks fly between boss and employee at first, when the cabins are robbed, nothing is more important to Aaron than making sure Lydia is safe.

Together they work to make the vacation property profitable, but can they find out the identity of the culprit before more damage is done? And is Lydia's dream of a home of her own more than just a wish and a prayer?
