

News-worthy. Life-Changing. Eternal.

Experience Revelation Like Never Before.

There's a cost to living your life as a follower of Christ—and that cost takes a sharp uprise as the End Times draws near. Evil seems to be prevailing at every level, and the signs of God's fulfillment of prophecy are unmistakable. Politicians and religious leaders are following a clear path to a global government. The threat of planetary devastation permeates the earth. Technology—smart phones, social media, credit cards—has ushered in a massive loss of personal privacy and the ability to monitor the movement of every individual. With a world spinning out of control politically, spiritually, and financially, the time has never been more relevant to turn to the final book of the Bible for hope and understanding.

Bestselling author Ron Rhodes presents a comprehensive, highly applicable study for individuals and groups in his new release, *40 Days Through Revelation*. Reminding readers that John wrote the book for believers who were facing persecution and hostility from the ruling culture, Ron clearly explains how today's Christians can...

- know that God has always been—and will always be—in control over human history
- make sense of future events and trust God in the midst of trials
- test all religious teachings—those from church, read online or listen the radio—against the Scriptures to discern what is truth and what is false doctrine
- maintain a sense of peace, knowing what will one day come upon the world
- have a sense of urgency in living each day as the book of Revelation commands us to

What are modern-day Christians to make of prophecies about the antichrist? How does all of the symbolism in Revelation relate to our present world? What political events and technologies exist today that could point to the end of our planet? Make no mistake—Revelation can be beyond tricky to understand! Yet God never intended for His children to be confused or frightened by the prophecies—or to avoid them at all cost. Rather, He wants believers to be an active part of His purposeful plan as it unfolds, influencing others for Christ and leading the way in avoiding deception and embracing the truth.

40 Days Through Revelation takes readers on a spiritually uplifting journey that promises an eternal perspective and patient endurance in the midst of trials. "We are pilgrims en route to a better country," Ron says. "As we make our way to the heavenly country, may the book of Revelation be a continual source of spiritual strength and encouragement!"

Ron Rhodes, president of Reasoning from the Scriptures Ministries, is heard regularly on nationwide radio and is the author of *Bite-Size Bible Answers*, *Bite-Size Bible Definitions*, *Commonly Misunderstood Bible Verses* and *5-Minute Apologetics for Today*. He holds ThM and ThD degrees from Dallas Theological Seminary and teaches there and at several other seminaries.

Suggested Interview Questions

- Many dedicated Christians shy away from the book of Revelation, deeming it too confusing or depressing. How do you see Revelation as a spiritually uplifting book that leads to blessing?
- How do you guide readers through the book of Revelation in 40 days?
- What is the impact of the book of Revelation in today's world?
- John addressed Revelation to an audience of second-generation Christians who were facing hostility and persecution from the Roman Empire. What does our generation have in common with those early believers?
- Through the ages, scholars have taken four primary interpretive approaches in studying the book of Revelation. What are these views, and which one do you believe is the correct view?
- Many conflicting religious teachings can be found in churches, in books, on television, on the radio, and in online blogs and journals. How can we test all of these against the Scriptures to discern what is truth?
- What is your interpretation of the rapture? Does anything more need to happen before Christ raptures His church?
- What does the book of Revelation say about the tribulation period? Who will be present on earth during the tribulation?
- Studying Revelation can be intense and a bit fear-inducing. Which words in the Bible help calm our fears and speak of God's absolute control?
- How can believers maintain a sense of peace, knowing what will one day come upon the world? How can we avoid feelings of doom and gloom?
- Why should Revelation give us a sense of urgency to reach the lost? How can we learn to give an effective testimony to point others toward Jesus Christ?
- What does the book of Revelation actually say about the antichrist?
- What does the Bible teach in regard to predicting dates?
- What do you mean by maintaining a "top-down" perspective? How will this help us better our understanding of Revelation and strengthen our relationship with God?
