Being a grandparent is an unparalleled experience.

You get to hold chubby babies, chase mischievous toddlers, teach curious preschoolers…spoil, love, pray, repeat. You have an opportunity to see your legacy living out in your grandchildren. A more incredible blessing is hard to imagine.

You would do anything for your grandkid, wouldn't you? Do you know you have a story to share? That is something your grandchild will cherish. This book will help you capture snippets of your unique life story as you write them down and then share them in this gift to your grandkid.

Don't worry about completing this book within a specific time frame. Open it when you can, when you are thinking about it. It's meant to be simple—and yet more meaningful than you can imagine.
