

QUESTION
of the
DAY
FOR COUPLES

HARVEST HOUSE PUBLISHERS
EUGENE, OREGON

INTRODUCTION

We've been married for more than 35 years, and while it's mostly been LOL, there have been some LULL times as well. And for those, it would have been great to have a book like this one.

This book's questions cover a wide array of topics and themes. Some of them will be simple to answer; some will take more thought. As each year unfolds, you will encounter some similar questions from month to month. This is by design, as it will let you see how you're changing and growing as individuals and as a couple through the months and years.

We've raised our own children and are now busy ~~spoiling~~ being firm but fair examples to our grandchildren, but we're still learning about each other. Whether you've been together 35 years or 35 minutes, there are always things to discover, to share, and to bring you closer to each other and to God.
