

The Beginning of the End...or is it?

It is becoming increasingly clear that the world is drawing nearer to “closing time,” and people are asking questions about the future like never before. Many are fearful, anxious, and uncertain as there’s a growing fascination with what might happen next. Economic meltdowns, the menace of pandemic plagues, cataclysmic natural disasters, and the dreaded threat of nuclear terror are all converging to make the world a more dangerous place than at any other time in human history. Coupled with that, many are looking for a “savior,” someone who will make sense of it all and save the world from its self-destructive patterns.

With that, there is no shortage of opinions or theories on the Antichrist. The identity of this man has intrigued people for 2000 years. Muhammad. Napoleon. Hitler. John F. Kennedy. Even those who believe that the current US President “may be” the Antichrist. How can we cypher through the fluff and get to the facts?

Bestselling Bible prophecy expert Mark Hitchcock looks to the one source readers can trust—the Bible—and answers questions such as...

- Where will the Antichrist come from?
- When will he appear on earth’s stage?
- What is the significance of the number 666?
- How will he rise to power, and what will finally happen to him?
- Will we know who he is before the rapture happens?

Using a friendly question-and-answer format, Mark takes readers on a fascinating tour of all the Bible’s key passages about the Antichrist—and shares how this information applies to their lives today.
