A Travel Guide to Heaven for Kids **NEW**

Soon after his popular *A Travel Guide to Heaven* was published, bestselling author Anthony DeStefano recognized that children also have many questions about heaven. In celebration of the tenth anniversary of that book, Anthony wrote this fun-filled, action story about a little boy named Joey who gets to take a whirlwind tour of heaven with his guardian angel, Gabby. Artist Erwin Madrid's stunning illustrations bring the story to life, showing heaven to be a place where everyone is happy, the animals all get along, and God's glory is more amazing than anything Joey had ever seen in his whole life.

This long-awaited children's edition will quickly become a favorite for the reader and the child alike. Imagine the comfort and peace children will experience when they hear about this incredible place God has prepared for them.
